

## I.C. STATIC DISSIPATIVE HAND LOTION

**Enriched with Aloe Vera and Vitamins A, D and E.** Non-acidic lotion helps relieve chapping, skin flaking, irritation and sensitivity caused by the regular use of latex/nitrile gloves and finger cots. Non-petroleum, non-contaminating and greaseless, it contains no glycerin, mineral oil, silicone or lanolin. Absorbs immediately into the skin without interfering with grip or dexterity.
